

## You bring their creativity to shine

Winner of Singapore's most prestigious Singapore Quality Award, and the inaugural Harvard-IBM Innovations Award in Transforming Government, the Institute of Technical Education is a globally-recognised world-class institution for excellence in technical education. We offer a unique ITE Brand of *Hands-on, Minds-on, Hearts-on* College Education. Through our transformational leadership, supported by a team of people passionately anchored on the *ITE Heartbeat*, we continue our journey towards being *A Global Leader in Technical Education*.

### LECTURER – School of Electronics & Info-Comm Technology

At ITE, you've the perfect opportunity to nurture our students in many ways and equip them with up-to-date knowledge. Teach them, mentor them and most of all develop their "Thinking Hands" in the areas relating to:

- Business Information Systems
- Communications Technology
- Digital Audio & Video Production
- Electronics
- Electronics - Embedded System, Clean Energy, Unified Communications, Metrology, IC Backend/Frontend
- Electronics - 3G Mobile, Entertainment Electronics, Security & Surveillance Technology
- Electronics - Wireless Technology
- Info-Comm Technology / Information Technology
- Multimedia Technology
- Network Security Technology
- Wireless Technology

Your key role is to equip students with up-to-date technical knowledge in one of the above areas. Your areas of work include teaching, developing and reviewing curriculum and assessment; initiating and implementing industry projects; establishing networks and linkages with industry; and being a mentor and advisor to your students.

#### REMUNERATION

The remuneration package will be competitive and commensurate with your qualifications and experience. ITE is committed to staff capability development and successful candidates will have various opportunities for further professional upgrading and development.

#### APPLICATION

We invite you to submit your application electronically via internet at [www.ite.edu.sg](http://www.ite.edu.sg)

Please visit our website for more details on these and other positions.  
Closing Date for application is 28 Mar 2009.
