1) ABOUT THIS RESEARCH.

- ✚ This research provides a quick guide about the schooling fees in public/government schools and international schools for 21 countries worldwide. The countries included in this research are Australia, Bangladesh, Brazil, Britain, China, France, Hong Kong, India, Indonesia, Japan, Malaysia, Mexico, Philippines, Singapore, South Africa, South Korea, Taiwan, Thailand, UAE, USA, and Vietnam. As the schooling fees shown here are only indicative, it is advisable to contact the schools directly to find out the updated details.
- ✚ Other than market survey data, this report on schooling fees can be used as a basis to determine or substantiate the children education allowance for expatriate remuneration packages.
- ✚ All of the data contained in this research were collected through the respective public/government schools and international schools websites. Some of the schools were contacted via email and/or telephone where clarification is needed.
- ✚ For ease of comparison across schools and countries, all figures have been converted to US\$.

Note:

To promote elementary education and eradicate illiteracy, Indian government launched a program - Sarva Shiksha Abhiyan (It means " Education for All"). Sarva Shiksha Abhiyan (SSA) is Government of India's flagship programme for achievement of Universalization of Elementary Education (UEE) in a time bound manner, as mandated by 86th amendment to the Constitution of India making free and compulsory Education to the Children of 6-14 years age group, a Fundamental Right. SSA is applicable only in Government Schools, and, in private schools the education is not free. Normally people belonging to lower income group enroll there children in Govt. Schools.
